

„In-Country/In-Region Scholarship Programme“ South East Asia

Call for Scholarship Applications 2020 at the Faculty of Medicine Universitas Indonesia (PDIB FKUI)

**Funded by the Federal Ministry for
Economic Cooperation and Development (BMZ)**

Application Closing Date: 1.12.2019

Programme Objectives

DAAD (German Academic Exchange Service), as a publicly funded, self-governing organisation of the institutions of higher education in Germany, promotes international academic exchange as well as educational co-operation with developing countries through a variety of funding and scholarship programmes.

As part of the „In-Country/In-Region Scholarship Programme“ DAAD offers scholarships for **PhD studies** at the PDIB FKUI. The programme is funded by the German Federal Ministry of Economic Cooperation and Development (BMZ) and aims at university staff in the first line, without neglecting the public sector demand of academically trained personnel.

The target group for scholarships are graduates and postgraduates from South East Asia with a Master's degree who want to pursue PhD courses in their home country (so called **In-Country scholarships**) or in another South East Asian country (**In-Region scholarships**).

It has been agreed upon that DAAD cooperates with the Faculty of Medicine Universitas Indonesia (PDIB FKUI) by offering up to **4 In-Region/In-country scholarships for PhD studies** at PDIB FKUI for the intake 2020.

Application requirements

Applicants

- have successfully completed generally a five-year university degree/180 CP with above average results (upper third of class)
- clearly show motivation and strong commitment
- have thorough knowledge of the English language (IELTS 6.0 or above)
- have completed their last university degree not more than 6 years ago at the time of application
- must be nationals or permanent resident of Cambodia, Indonesia, Laos, Malaysia, Myanmar, Philippines, Thailand, Timor-Leste or Vietnam
- should generally be a) staff member of a public university, b) candidate considered for teaching or research staff recruitment, c) from the public sector

Female applicants and candidates from less privileged regions or groups are especially encouraged to participate in the programme.

Scholarships are initially granted for one year and can be extended to upon receipt of an application for extension. Scholars must demonstrate satisfactory progress before an extension is granted.

Eligible fields

The In-Country/In-Region Scholarship Programme supports studies in subject areas with strong relevance to national development.

The scholarships at PDIB FKUI are available in the following field:

- *PhD in Biomedical Sciences*

Place of tenure

Universitas of Indonesia (Faculty of Medicine)

Duration and Commencement

The duration

- of the PhD programme is generally three years

generally **starting in August 2020**

The application process contains two steps.

1. Applicants must apply for their studies at PDIB FKUI using the contacts and the method that is prescribed by the institution. PDIB FKUI has set its own deadlines.

PDIB FKUI will screen, pre-select (according to DAAD selection criteria) and short-list the applicants. A detailed report consisting of the shortlisting procedure, the entire list of applicants, the ranked shortlist and the shortlisting panel members will also be availed to DAAD. The ranked shortlist will contain preferably triple (at least double) the number of scholarships that have been attributed to the institution.

DAAD reserves the right of final selection.

2. Simultaneously all applicants are asked to log into the DAAD portal and register themselves and submit a DAAD application.
 - 2.1. Register online via the DAAD-Portal (if not already registered):
https://portal.daad.de/sap/bc/bsp/sap/z_set_cookie/setcookie.htm?fund_ar=stv&iid=57454968
 - 2.2. Apply online via the DAAD-Portal under the tab “Personal Funding”/ “Application“

Documents to be submitted:

- DAAD application form duly filled in (available in the DAAD-Portal)
- Hand signed curriculum vitae (please use the European specimen form at <http://europass.cedefop.europa.eu>), including a list of publications (if applicable).
- 2 recommendation letters by university teachers
- Letter of admission for the host university / institution / network
- Certified copies of university degree certificates including transcripts
- Letter of motivation (if applicable: mentioning the planned research stay in Germany, see “Additional benefits”)
- Copy of the passport
- Language certificate
- Leave of Absence from current employer
- Declaration of acceptance from the academic supervisor
- Detailed and precise PhD proposal, including detailed work and time table (if applicable: mentioning the planned research stay in Germany, see “Additional benefits”)
- Abstract of the proposal on one page (please include name and title of proposal)

Scholarship funding

The scholarship covers:

Item	Payment	Amount
Tuition fees	Once at the beginning of study year	<i>the regularly charged amount</i>
Study and research allowance	annually	920 EUR (PhD)
Printing allowance	once at the end	800 EUR (PhD)
Monthly Scholarship (Accommodation, food etc.)	monthly	650 Euro (PhD)
Travel allowance (In-Region only)	twice (beginning/ end of scholarship)	<i>The flat rate travel allowance will be specified in the letter of award</i>
Insurance		If your insurance is not covered by your host institution, the DAAD will pay you an insurance allowance within the regular and regional costs of insurance

The scholarship will either be disbursed by the host institution, the German Embassy or will be paid directly to the scholarship holder’s banking account. Further details will be announced after admission to the scholarship programme.

Additional benefits

DAAD In-Country/In-Region scholarship holders are also encouraged to apply for a **research stay in Germany** for 2 up to 6 months. Please note: **The short-term research stay in Germany should preferably be announced in the application for the regular scholarship** and can only be awarded if the necessary financial means are available.

The short-term research scholarship includes:

- a monthly scholarship payment for living costs
- health/accident/personal liability insurance
- a flat-rate travel allowance

All further details regarding additional benefits and the additional application processes will be provided after admission to the scholarship programme.
