# Where is Stuttgart?

# **Vaihingen Campus**

**Stuttgart** 

& region Baden-Württemberg:

Germany's industrial hub Research & innovation

**Excellent career opportunities** 

#### **Culture**

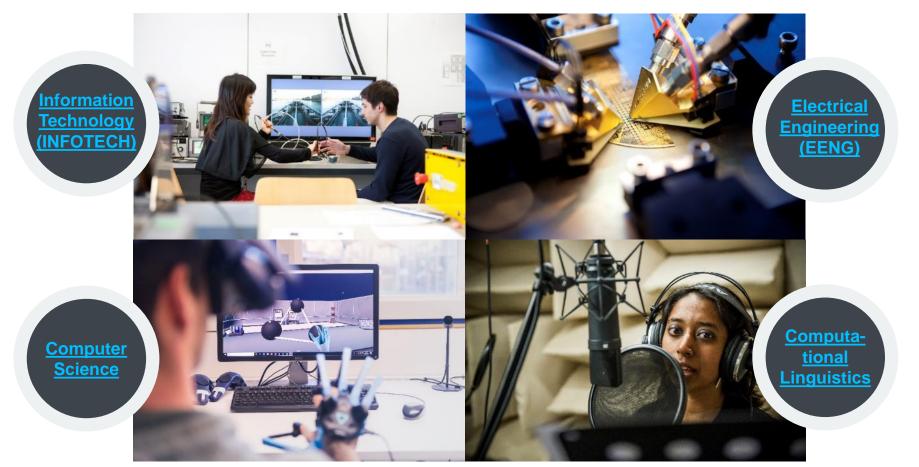

- The castles of the former kings of Württemberg and Europe's largest zoological and botanical garden
- The Stuttgart Opera, the Stuttgart Ballet

Faculty 5: Computer Science, Electrical Engineering and Information Technology

# **English conducted Master's Programs**

University of Stuff

#### Universität Stuttgart

Faculty 5: Computer Science, Electrical Engineering and Information Technology

- Combination of electrical engineering & computer science enriched with non-technical courses
- Restricted admission Application deadline: Febr. 15), admission only once a year
- No of students: 80/year
- 4 specializations: Communication Engineering and Media Technology | Embedded Systems Engineering | Computer Hardware/ Software Engineering | Intelligent Methods for Test and Reliability

- Covering the traditional foundations of electrical engineering & information technology
- Admission twice a year | Application deadline: Jan. 15 / July 15
- Number of students: approx. 60/ semester
- 6 specializations: Smart Information Processing | Communication Systems | Nano- und Optoelectronics | Power-electronic Systems & Technologies | Smart Systems | Electromagnetics and Applications

- Covering various scientific fields such as robotics, visual computing, service technology & engineering, database systems, parallel & distributed systems
- Admission twice a year | Application deadline: Jan. 15 / July 15
- Number of admitted students: approx. 50 / semester
- 3 specializations: Autonomous Systems | Service Technology & Engineering | Visual Computing

- Combining expertise in linguistics & computer science, as well as developing methods and solutions for our digitized future
- Admission twice a year | Application deadline: Jan. 15 / July 15
- Number of admitted students: approx. 30 / semester (Excellent student / lecturer ratio)
- 3 specializations: Core Computational Linguistics | Applied Natural Language Processing | Speech Processing

# Double Master's program M.Sc. Electrical Engineering

University of Stuttgart

Vietnamese-German University Ho Chi Minh City

Electrical Engineering and Information Technology

### Double Master's program - How does it work?

4-semester double master's program "Electrical Engineering – Major Communications Technology and Systems"

2 semesters at Vietnamese-German-University and 2 semesters at University of Stuttgart – POSSIBILITY TO START IN STUTTGART 2 degrees Application (for a start at VGU)
Teaching language: English
No tuition fees in Germany
Funding opportunities

## An example of a student project: Greenteam/Rennteam

In 2022, the GreenTeam electric car set a new world record for the fastest acceleration from 0 to 100 km/h, winning the trophy for the third time (100 km/h in 1.461 seconds).

The team currently leads the world rankings.

# **Cost of living - An estimation**

Item	Costs
Rent (per month):	Between approx. EUR 350 and EUR 500
Health Insurance (per month):	Approx. EUR 120 (compulsory for all students)
